Hakuba Happono-one Snow Resort Agreement

- Snow Resort Prohibited Areas**
As mentioned on the ski course map do ski or ride in the prohibited areas and restricted boundaries at Happono-one. Do not enter closed areas, if you are uncertain of the area, DO NOT ENTER at all, it is better to check with Ski Patrol Staff or Authorized Personnel before entering unknown areas. Contrary to this if you do enter unknown areas this will result in cancellation of your lift ticket and/or pass. In addition, you will lose all skiing/rider privileges.
- Freeriding Area "OMUSUBI"**
Omusubi is a freeriding area limited to advanced and above skiers and riders. You may ski/ride in this area only when the upper gate is open. Ski Patrol conduct daily avalanche risk assessment, however, please be aware of the risks involved when freeriding.
- Snow Resort Management Duties and Obligations**
If the snow resort supports search and rescue activities for a distressed person outside of the ski resort management area at the request of a private individual or group, the snow resort shall request the payment of relevant expenses for search and rescue support activities. In addition, when the resort conducts search and rescue activities in a closed area within the snow resort management area, the resort shall claim the relevant expenses to the person who requires assistance at the time.
- Guests and Visitors Duties and Obligations**
For your safety and enjoyment on the slopes we kindly request all participants to observe and follow any instructions from Management as well as the Ski Patrol Staff. Please follow and practice the Hakuba Valley Safety Tips as part of your responsibility code of conduct when visiting our snow resort.
- Mountain Climbing and Ski Mountaineering**
Please follow the relevant procedures before you engage in mountain climbing and ski mountaineering activities including back country tours at Hakuba Happono-one. There is only one backcountry gate to exit Happono-one, for your safety and others please exit from this designated gate located at the exit of the Great Quad lift. Permission to engage in such activities requires your planned schedule to be formally submitted along with the relevant form. This form is available at either Gondola Adam Base Lift or Happono-ike Sanso located at the top of the Great Quad Lift. The form can be filled in and submitted on the day of intended departure.
- Do not ski off the cat track and do not ski outside the designated ski course and trails as this may trigger a landslide or avalanche within the ski resort.**
- The use of drones is prohibited unless the operator obtains consent from Happono-one Snow Resort Management.**
- The safety management of the snow resort corresponds to the Snow Sports Safety Standards established by the Japan Association of Skiing Safety (JASS).**
- Refusal to abide by this Agreement will immediately result in cancellation or refusal to use the snow resort services by Happono-one Snow Resort Management including Ski Patrol. In such cases, we will not refund any fees regardless of the reason.**

There are inherent dangers in snow sports, such as falls, collisions, poor weather conditions, and poor visibility. Please be aware of these dangers and enjoy your stay.
